

LNJ Denim

Catapulting India further onto the global landscape LNJ Denim, a part of Rs 3600 cr LNJ Bhilwara Group, has unveiled its new range of exclusive denim products in India, with some first in the world features. "It is our constant endeavor to create the best possible value for our customers and shareholders and this is yet another testimony to our commitments", said Ravi Jhunjhunwala, chairman of LNJ Bhilwara group. LNJ Denim supplies denim fashion fabrics to some of the best brands in the world across Europe and USA. LNJ Denim has another credit to its kitty in introducing eco-friendly products. These are the fabrics which are produced by recycling waste products that also include the jeans which we discard.
