Opinion

Quarterly Newsletter of the LNJ Bhilwara Group

Message from Chairman

Rooted in Legacy, Driven by a Green Purpose

"Our greatest asset has never been capital or infrastructure - it is our people. They are the engine of our legacy and the architects of our tomorrow."

For over six and a half decades, the LNJ Bhilwara Group has stood as a symbol of purposeful industrial legacy, growing from a single textile mill into a diversified global enterprise. As we honor this legacy, we do so with our gaze fixed firmly on the horizon: a future defined by green innovation and sustainable progress.

Our transition into clean energy through ventures such as REPLUS, TACC, and BEL reflects not merely a strategic decision but a generational commitment. We are embedding ESG principles at the core of everything we do, from carbon-efficient manufacturing to advanced energy storage, ensuring our \$1.2 billion legacy becomes the foundation for a carbon-neutral tomorrow.

Mr. Ravi Jhunjunwala

Yet none of this is possible without our most vital instrument: our workforce. It is our people who translate vision into value. We remain deeply committed to fostering a corporate culture that celebrates inclusivity, one where every voice is heard and every background is respected.

Equally, we believe that sustainable performance stems from sustainable people, and work-life balance is not just a benefit but a fundamental business philosophy.

Together, we move forward, honoring what we have built, and boldly shaping what comes next.

Group Happenings

RSWM Participated in Colombiatex de las Américas 2026

RSWM Limited is on a journey to turn India's rich textile heritage into one of the world's most influential global platforms. Through insightful discussions, meaningful collaborations, and an engaging display of premium fibers and advanced yarn solutions, each interaction reinforced RSWM's dedication to merging tradition with innovation. The exchange of ideas and the partnerships forged during this time continue to bolster the company's vision of creating a sustainable, future-ready textile ecosystem across borders.

RSWM-LNJ Knits Drove Conversations and Excellence at IFF 2026

LNJ Knits had an exciting presence at the India Fashion Forum in Bengaluru. Mr. Arvind Maurya, Business Head & Chief Executive, presented the "Most Valued Partner" award, honoring key industry partnerships. He led a vital discussion on "When the Fabric Becomes the Brand," highlighting a shift where consumers now seek transparency about their clothing.

The panel emphasized the importance of Sustainability, Traceability, and Innovation in unlocking brand value, establishing distinct identities, and crafting compelling narratives for audiences. Co-panelists included Dr. Binay Kumar Choudhury, Jai Prakash Dhamu, Rishi Agarwal, and moderator Shalendra Vasudeva.

RSWM LNJ Knits participated in the ZXY International Mill Week

LNJ Knits participated in the ZXY International Mill Week in Tirupur. This wasn't just a standard vendor showcase; it was a high-level strategic alignment between a manufacturing company's capabilities and a global brand's future needs. Leading the session, Mr. Vishal Pandit, GM Marketing (South), presented a comprehensive deep dive into the latest R&D, specifically focusing on the textures and inspiration driving our AW26/27 "Voyage" Collection.

RSWM LNJ Knits Hosts Plant Visit by Yagi India & Japan Fabric Division

LNJ Knits' Mordi unit hosted Mr. Urabe and Mr. Takemoto from Yagi India & Japan for discussions on next-generation knitted developments. The team was impressed by quality standards and selected premium Ponte and Foma Pique collections for top buyers in Vietnam and Japan. This partnership enhances the traditional buyer-seller dynamic, with YAGI supplying high-grade acrylic fibers to RSWM, strengthening the supply chain with quality raw materials.

RSWM Ringas Organized Friendly Cricket Match

A friendly cricket match was organized between staff and workers to foster team spirit and a healthy work culture at the Government School Playground in Bissawali, Ringas.

Both teams displayed exceptional sportsmanship, teamwork, and passion, celebrating unity and collaboration beyond the workplace.

Group Happenings

HO Noida Organized Health Check-Up Camp

At LNJ Bhilwara Group, our "People First" philosophy prioritizes team well-being. In partnership with MASSH, we organized a Free Health Check-Up Camp at our Noida Head Office, offering screenings and expert consultations. Employees engaged in health assessments and educational sessions on nutrition and stress management. Positive feedback emphasized the significance of prioritizing health and building a supportive workplace community, showcasing the company's dedication to creating a healthy environment where team members feel valued and empowered.

Blood Donation Camp at RSWM Mandpam

Unit organized a blood donation camp on the occasion of Syt. Riju Jhunjhunwala's birthday by RSWM, Mandpam team in coordination with Mahatma Gandhi Hospital, Bhilwara at Melange staff club. Sh. Yogesh Dutt Tiwari (BH & CE) inaugurated the blood donation camp at Mandpam Unit.

RSWM-LNJ Knits Displayed Collection at Voyage Roadshow in Colombo

By highlighting new Modal and Tencel™ blends for sophisticated loungewear, lightweight thermal-comfort engineered fabrics for transitional wardrobes, and trend-driven designs integrated with antimicrobial finishes, the partnership emphasizes a shared commitment to setting a new global standard for excellence, versatility, and style in knitted fabrics.

Expanding its international reach, the "VOYAGE" roadshow featured Mr. Vishno Pachori from LNJ Knits presenting the premium AW26/27 Knitted fabric collection in Colombo to MAS Intimates' team members, Mr. B. Indika Wasantha and Mr. Pirahalathan. The collaborative discussions focused on driving innovation for prominent global brands like PVH (Tommy Hilfinger) by leveraging evolving high-fashion aesthetics, advanced seasonal insulation, and functional sophistication.

RSWM Ringas Organized Long Tour for Staff (Manali-Dharamshala-Dalhousie-Amritsar-Chandigarh)

The RSWM Staff Club organized a memorable tour that took participants to Manali, Dharamshala, Dalhousie, Amritsar, and Chandigarh. This journey offered a delightful blend of natural beauty, spirituality, and modern living. In Manali, the group experienced the awe-inspiring landscapes and snowy mountains, with attractions like Slang Valley and Hadimba Temple. Dharamshala offered a serene atmosphere, being home to the Dalai Lama and a hub of Tibetan culture, with McLeod Ganj providing stunning views of the Dhauladhar range. The tour continued to Dalhousie, where the serene hill station and colonial architecture charmed visitors. A standout moment was visiting Khajjiar, often referred to as "Mini Switzerland of India," with its picturesque meadows and forests. Continuing to Amritsar, participants were captivated by the cultural richness of the Golden Temple and the patriotic display at the Wagah Border ceremony. The tour concluded in Chandigarh, where the modern city's clean environment, along with attractions like the Rock Garden and Sukhna Lake, provided a refreshing contrast. The blend of experiences across these diverse locations left a lasting impression on the staff and their families, making the trip a cherished memory for all involved.

Group Happenings

HEG Organized Board of Director's Visit

The distinguished Board of Directors of HEG Limited visited on February 10, 2026, which was a significant and inspiring occasion for our organization. The board meeting served as a platform to review our achievements, evaluate ongoing initiatives, and align on strategic goals for the future.

Insightful deliberations focused on business performance, innovation, operational excellence, and sustainable growth strategies. Beyond the formal agenda, the presence of the directors energized the leadership team and reaffirmed our collective commitment to delivering value to stakeholders. Their perspectives and strategic guidance continue to play a vital role in shaping our journey forward.

Replus Participated at Stationary Energy Storage India Summit

At the Stationary Energy Storage India Summit in Delhi, Mr. Yash Chaliawala showcased Replus's roadmap for the next generation of energy storage. By focusing on the essential journey from 'Cell to Container,' we are bridging the gap between innovation and large-scale application in the evolving energy landscape.

Consultation Meeting of ADHPL with HPSPCB

ADPHL organized a consultation meeting with the HP State Pollution Control Board, chaired by the Member Secretary in Shimla. The meeting included local NGOs, municipal officials from various towns, HEP officials, and the Hotelier Association President. Discussions centered on environmental compliance, sustainable industrial operations, and regional waste management challenges. The Member Secretary committed HPSPCB's support for local NGOs via government aid and CSR funding.

Replus in Sponsorship Award at E-BAJA SAE

The team is honored to be the Title Sponsor for Team Predators Racing, recognized at D. Y. Patil College of Engineering on February 2, 2026. The team achieved AIR 2nd out of 80 participants at the E-BAJA SAE with their E-19 vehicle on January 11, 2026, showcasing the impact of hands-on engineering and teamwork. This milestone represents our first major industry-academia partnership, aligning with our mission to accelerate the transition to clean energy by supporting future engineers and fostering innovation for a sustainable, electrified future.

Replus Proudly Hosted Management Visit

On March 2, 2026, we welcomed Mr. Ravi Jhunjhunwala, Chairman of LNJ Bhilwara Group, to the Replus Gigafactory. He toured our 1 GWh Battery Manufacturing Plant, engaging with the team and observing our commitment to clean energy innovation. Mr. Jhunjhunwala also reviewed the progress of our upcoming 5 GWh Phase 2 expansion project, emphasizing its role in enhancing India's battery manufacturing capabilities. His visit was a proud moment for our team as we strengthen the country's energy storage ecosystem.

Group Happenings

TACC Partners with INOX Air Products

TACC Limited has partnered with INOX Air Products to establish a nitrogen plant in Dewas, Madhya Pradesh. This facility will supply high-purity nitrogen for battery-grade graphite anodes used in electric mobility and energy storage, strengthening the domestic battery materials supply chain and promoting a cleaner energy ecosystem.

TACC Showcased Engineered Graphene Innovations at Graphene India 2026

Graphene India 2026, held from March 9–12 at Le Méridien, Kochi, gathered industry leaders and researchers to enhance collaboration in graphene adoption. TACC Limited showcased advancements under the TACCPhene brand. The team presented on graphene applications in concrete, coatings, and lithium-ion batteries, emphasizing improvements in strength and durability. They also interacted with Nobel Laureate Konstantin Novoselov, gaining insights into the 2D materials landscape.

TACC Organized Blood Donation Camp

A blood donation camp was organised on January 21, 2026, as part of the organisation's ongoing commitment to community welfare and healthcare support. The initiative witnessed enthusiastic participation, contributing to strengthening local medical resources and promoting the importance of voluntary blood donation.

TACC Featured in EV Reporter Magazine

The interview with MD & CEO, Ankur Khaitan, highlights the company's ₹2,000 crore investment in a synthetic graphite-based anode manufacturing facility in Dewas, Madhya Pradesh. It also covers progress on the 100-acre site, financing secured from the State Bank of India, and ongoing trials at the demo facility, positioning TACC Limited as a key contributor to the localisation of India's lithium-ion battery value chain.

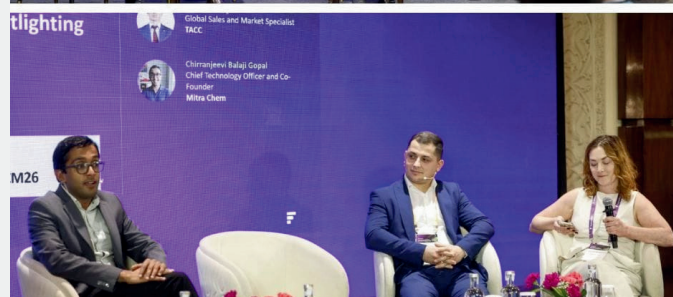

TACC Featured in Energetica India

Ankur Khaitan, Managing Director & CEO of TACC Limited, was featured in an exclusive interaction with Energetica India, a well-regarded platform within the energy and clean technology ecosystem. In the conversation, he shared TACC's vision of advancing India's position in the global battery materials landscape, along with the company's efforts to build world-class capacities in anode active materials and graphene.

The feature also highlighted how innovation and sustainability form the cornerstone of TACC's growth strategy, as the company continues to support India's clean energy transition through advanced carbon technologies and responsible manufacturing.

TACC Contributes to Key Discussions at Fastmarkets India Battery and Critical Materials Conference

As sponsors and participants at the Fastmarkets India Battery and Critical Materials Conference, TACC Limited actively engaged in multiple panel discussions focused on shaping India's battery materials ecosystem. Representing TACC, MD & CEO Ankur Khaitan shared insights on building a secure domestic supply chain, highlighting the convergence of realistic demand from local lithium-ion cell manufacturers with growing indigenous capability to supply battery components at scale.

He also emphasized the need for a stronger government to focus on synthetic graphite as a critical mineral for energy storage and long-term supply security. The panel, featuring Rajat Verma (Lohum), Harin Kanani (Neogen Chemicals Limited), and Kunal Shah (Aquatech), noted that the next phase of growth will require leapfrogging in both technology and production capabilities.

Learning & Development

RSWM Organized Training programme on “COCICA & RAPIDD

Across February and March 2026, RSWM conducted comprehensive training sessions at its Rishabhdev and Ringas units as part of the RSWM 2.0 journey. Led by faculty members Shri Pankaj Kumar and Pankaj Pandey, the program focused on the COCICA (Values) and RAPIDD (Competencies) frameworks. Through interactive workshops and case studies, the initiative successfully aligned staff with organizational ethics while fostering a proactive, value-driven, and digitally fluent workforce.

RSWM Lodha Conducted Master Training 2.0

The RSWM 2.0 training was conducted for the Masters with the objective of improving work practices and introducing fresh ideas. The initiative aimed to enhance their enthusiasm and enable them to effectively convey the new initiatives to the workers. The training programme was successfully conducted by Shri Shambhu Kumar (Chief Operating Officer).

RSWM Kharigram Conducted Training on Electrical Safety

An external training program on electrical safety & emergency preparedness was organized on March 7, 2026, which was presented by Sh. Anurodh Prashant (external safety expert and auditor). Staff of various departments, like Engineering, Maintenance, Security, and Production departments, were covered in this program.

During the session, the covered topics included firefighting, workplace safety, Tool Handling, and response during emergencies, among others.

Various Units of RSWM Participated in Values & Competency Orientation Programs

From February 11 to 13, 2026, staff from Mandpam, Kanyakhari, and Bhilwara City Office participated in Values & Competency Orientation Programs led by Mr. Pankaj Pandey of Vyapt Consulting. The training focused on Cocica and Rapidd concepts, organized in batches to minimize disruption to plant operations, and aimed to instill RSWM 2.0 core values and culture. Employee engagement made the program dynamic and effective.

A training program on new Core Values (COCICA) and Competencies (RAPIDD) took place from February 25 to 27, 2026, at the RSWM Lodha unit, led by external trainer Mr. Pankaj Pandey from Vyapt Consulting in three batches. Shri Shambhu Kumar (COO) and the core team welcomed him. The event included a selfie booth, and participants received certificates and booklets at the end of each session.

Learning & Development

RSWM Lodha Conducted ESI Training

On March 9, 2026, Deputy Director Shri Nikhil Kumar visited the RSWM Lodha Unit to conduct an awareness training session for workers about ESIC benefits. He explained medical and social security provisions, reviewed pending claims, and introduced workers to the local ESIC doctor to improve access to healthcare services and awareness of medical benefits.

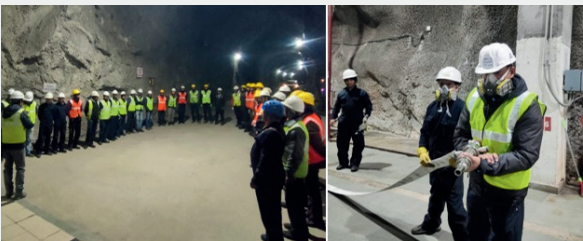

Fire Safety Training at various RSWM Plants

During the past few months, training programs focused on Fire Safety and the Use of Fire Hydrant Systems were conducted at the RSWM Plant Units. The primary aim was to raise awareness about the proper utilization of fire hydrant systems in the event of a fire.

ADHPL Conducted Tier-II Surprise Mock Drill on Transformer Explosion

ADHPL recently conducted a Tier-II surprise mock drill simulating a transformer explosion to evaluate emergency preparedness and response efficiency. The exercise tested the coordination of safety teams, firefighting protocols, and evacuation procedures.

By identifying potential gaps in a controlled environment, the organization successfully strengthened its overall disaster management framework.

Food Handlers Hygiene & Safety Training at ADHPL

To ensure top-tier safety and hygiene, ADHPL employees and staff, along with outsourced food processing workers at the Officers' Mess and food processing units, recently completed an FSSAI-led workshop.

The training focused on building a robust ecosystem of food safety supervisors by minimizing risks through elevated hygiene standards and educating handlers on essential protocols, ranging from basic hygiene to advanced storage and catering procedures.

Healthy You

The Renaissance of India's Probiotic Heritage

In 2026, India is experiencing a resurgence of traditional fermented probiotic drinks, emphasizing gut health as essential for wellness. Long before the "gut-brain axis" became popular, these drinks were used to combat heat and support digestion. Now, they are being transformed into premium functional beverages, blending ancestral knowledge with modern longevity science.

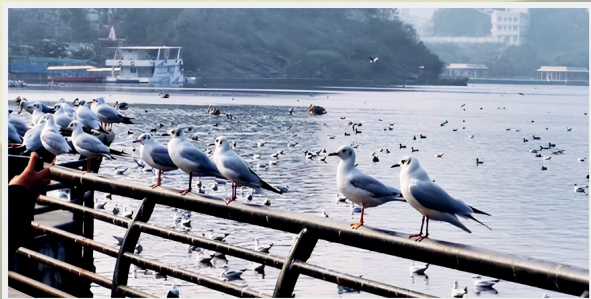

India's diverse geography influences its traditional probiotic drinks. In the North, Kanji, a fermented black carrot and beetroot tonic, is recognized for its antioxidant properties. Coastal regions favor Sol Kadhi, a kokum and coconut milk blend that serves as a probiotic. Simple fermented rice water, like Odisha's Tanka Torani, is becoming popular for its hydration benefits and nutrient richness. Modern variations of Chaas and Lassi, infused with spices for enhanced absorption, reflect a shift towards health-conscious consumption.

Traditional drinks are now being featured in high-end markets, blending heritage with contemporary health trends, positioning them as key players in the global probiotic movement.

School Events

Vivekananda Kendra Vidyalaya, Hurda

Organized Bird Watching Activity

The school organized a bird-watching trip to Anasagar Lake, Ajmer, for 45 students from Classes VII–IX. Focused on environmental awareness and experiential learning, students observed diverse species and documented their findings through creative artwork. The activity successfully fostered a deep appreciation for biodiversity and a lasting love for nature.

Celebrated Great Spiritual Ideals

VKV Hurda celebrated National Youth Day and Ramakrishna Paramahansa Jayanti with devotion, featuring prayers, speeches, and competitions. The events inspired students to embrace values such as strength, discipline, harmony, selfless service, truth, and compassion as taught by Swami Vivekananda and Ramakrishna Paramahansa.

Hosted Dome Planetarium Program

On February 5, 2026, the school hosted “Dome Planetarium: A Journey Through Space” for Classes I to VIII, organized by the Astronomy and Space Club. The program offered engaging insights into the Milky Way, planets, seasons, eclipses, satellites, and space exploration, fostering enthusiasm for science and enhancing students' learning through interactivity.

School Students Shine in Academic Events

Students from Vivekananda Kendra Vidyalaya, Hurda, participated in a Model United Nations session at Pragya International School on February 8, 2026, focusing on UNCRPD, UNHRC, and UNFCCC. The event improved their leadership, public speaking, and critical thinking skills.

Additionally, eight VKV students qualified for the second round of CBSE Prerna Utsav at Jawahar Navodaya Vidyalaya, showcasing their talent in Art, Essay Writing, and Drawing competitions.

Conducted Faculty Contribution in CBSE CPD Workshop

The PGT English teacher represented the institution as a Resource Person and conducted a CBSE CPD workshop at St. Paul's Senior Secondary School, Ajmer on March 28, 2026 on the topic “Mental Health and Wellness among Students.” The workshop reflected the institution's commitment to academic excellence and professional development.

School Events

Graphite Higher Secondary School, Mandideep

Inaugurated Dobsonian Telescope

On January 31, 2026, Graphite Higher Secondary School inaugurated a Dobsonian Telescope, donated by the Aryabhata Foundation and unveiled by Mr. Manish Gulati, President, SMC. This telescope will enhance students' understanding of astronomy through hands-on celestial observation, fostering curiosity and scientific inquiry about the universe.

Honoured for National Sporting Excellence

GHHS celebrated student achievements in national-level games on January 24, 2026. Shri Shivraj Singh Chouhan honored students for excelling in sports like Kho-Kho, Karate, and Athletics.

The Under-14 Boys Kho-Kho team notably secured First Position in the CBSE Cluster Tournament, showcasing the school's pride in their dedication & sporting spirit.

Celebrated Heritage - Bhartiya Sanskriti Gyan Pariksha

GHHS held the Bhartiya Sanskriti Gyan Pariksha, engaging 180 students to promote Indian culture, human values, and national development. Tanvi Singh (Class VIII) won First Place, followed by Devansh Mishra (Class VII) in Second, and Ashmit Sahu (Class VIII) in Third.

All participants received certificates in March 2026, fostering cultural pride and value-based learning.

GHHS Triumphs at Asmita Khelo India Pencak Silat West Zone Championship

Graphite Higher Secondary School excelled at the Asmita Khelo India Pencak Silat West Zone Championship in Daman, Gujarat, from February 22 to 27, 2026. Ten students from Classes V to VIII showcased exceptional skill, winning 5 medals and a total cash prize of ₹36,000. Gold medalists Kanishka Lodhi, Netra Thakkar, Aarti Neol, and Anshulika Lodhi each received ₹8,000, while Liyanshi Junghare earned a Bronze medal with ₹4,000. This accomplishment highlights their discipline and dedication.

Displayed Stellar Show at 24th WKTSF State Championship

The school showcased exceptional strength and discipline at the 24th WKTSF State Karate Championship in Madhya Pradesh on January 10–11, 2026, with a team of 25 students competing enthusiastically.

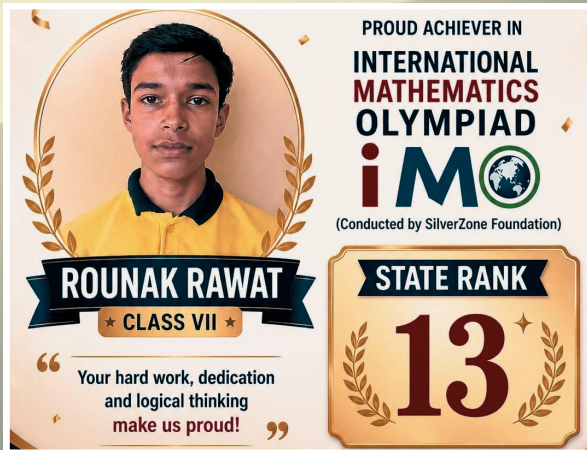

They achieved an impressive total of 35 medals—13 Gold, 9 Silver, and 13 Bronze—in Kata and Kumite events, reflecting their rigorous training and perseverance. The school also received the Best School Trophy for its overall excellence in the championship.

School Events

Vivekanand Vidya Vihar, Maral Sarovar

Students got certified in the Math Olympiad

The school proudly announces Master Rounak Rawat of Class VII, who achieved a state rank of 13 in the International Mathematics Olympiad (IMO) by the SilverZone Foundation. His success reflects his analytical skills and dedication. By qualifying for Level 2, Rounak sets a benchmark for academic excellence, bringing great honor to the institution.

Convened Praveshika Pariksha Shivir
L1 Certification for Scouts and Guides

The school successfully held the Praveshika Pariksha Shivir, Level-1 Certification for Scouts and Guides, achieving a 100% success rate. Candidates demonstrated discipline, teamwork, and technical skill in physical drills and written assessments. This milestone highlights the students' commitment to "Service" and the effective mentorship from their instructors, reinforcing the school's legacy of character development and civic duty.

Celebrated Success in Annual Academic
Excellence Award Ceremony

The school held its Annual Academic Excellence Award Ceremony to honor outstanding students from Nursery to Class XI, with special recognition for Class X and XII. Alumna Ms. Swati Sisodiya from Mastercard attended, highlighting alumni connections.

Student Achieved at Inspire Manak Award

The school proudly announces that Class 10 student Mahi Rathore has received the INSPIRE MANAK Award from the Government of India, showcasing her scientific mindset and visionary thinking. This achievement brings pride to the Khargone district and reflects the school's commitment to fostering creativity and innovation.

Celebrated National Youth Day &
Vivekananda Jayanti

The 163rd birth anniversary of Swami Vivekananda featured spiritual and intellectual activities, including a meditative invocation, lamp-lighting, a skit on his philosophical journey, and a Clap Yoga performance. Ms. Sapna Sarkar delivered a keynote encouraging youth towards national unity and spiritual growth. The event concluded with workshops and quizzes to reinforce Swamiji's legacy among students.

School Events

Vivekananda Kendra Vidyalaya, Rishabhdev

School Celebrated Ramakrishna Paramhansa Jayanti

Vivekananda Kendra Vidyalaya celebrated Ramakrishna Paramhansa Jayanti on February 19 with Swami Pradiptanand Ji and Ramakrishna Mission Seva Samiti members. Students presented skits, dances, and models depicting Swami Ramakrishna's life and teachings, highlighting Indian culture and spirituality. The event focused on values like truth, selfless service, and discipline, inspiring students to become responsible, value-based citizens.

Organized Cleanliness Drive

On February 25, 2026, the school held a Cleanliness Drive aligned with SDG Goal 11. Students cleaned Pagaliya Ji Garden, collecting plastic waste and dry leaves, while raising awareness about cleanliness among visitors. Guided by teachers, they learned how maintaining clean environments fosters healthier, sustainable communities. The event successfully promoted social responsibility, environmental awareness, and community engagement among students.

The School Joined Hands in Joy of Giving

On February 25, 2026, the school organized a donation drive aligned with SDG Goal 1 – No Poverty. Students contributed essential items for underprivileged children, which were distributed in Rishabhdev. The initiative aimed to raise awareness about poverty and foster compassion and social responsibility among students, successfully promoting kindness and the importance of sharing.

Conducted Activities on Exploring and Protecting Biodiversity

An SDG 15 – Life on Land Nature Walk took place for Class 8A at Vivekananda Kendra Vidyalaya, led by R.S. Parihar and Bharat Kumar. The event aimed to raise awareness about plants and biodiversity. Students learned about various plant species, including Silk Cotton Tree and Madagascar Periwinkle, while discussing their importance for oxygen, food, and medicine. The activity enhanced their observation, research, and writing skills, effectively supporting the goals of SDG 15.

Achievement in International FIDE Rapid Rating Chess Tournament

One of the brightest stars of Vivekananda Kendra Vidyalaya, Rishabhdev, Master Mohak Harmor of Grade 10, has secured 2nd position, winning a ₹2000 cash prize along with a trophy in the VKV School category at the International FIDE Rapid Rating Chess Tournament, organized by the LNJ Bhilwara Group of schools (Vivekananda Kendra Vidyalaya, Hurda)

Corporate Social Responsibility

ADHPL Donated Medical Equipment to Govt. Civil Hospital, Manali & Patlikuhal, Kullu

ADHPL donated a digital radiography X-ray system worth ₹1.75 million to the Government Community Health Centre in Patlikuhal on January 20, 2026. This contribution, part of their ongoing CSR efforts, follows a previous donation of a dental chair, significantly enhancing the hospital's diagnostic capabilities.

On 24 February 2026, AD Hydro Power Ltd (ADHPL) enhanced the surgical capabilities of Civil Hospital Manali by donating a state-of-the-art 4K Laparoscope camera system. This ₹4.50 million contribution, made under the company's CSR initiative, provides the hospital's general surgery department with best-in-class medical equipment to improve local healthcare infrastructure. 6 patients were taken for laparoscopic surgery on the first day after commissioning of Laparoscope system. The hospital administration expressed their gratitude for this significant upgrade to their facilities.

Healthcare For Over 3000+ Patients by ADHPL

The ADHPL dispensary, led by a qualified doctor, provides a vital healthcare lifeline for locals in villages such as Prini, Shuru, Sethan, Chalet, Shami-nallah, and Aleo and the visiting tourists. In the 2025-26 fiscal year alone, the facility treated over 3,375 patients, offering free diagnostic tests for essential screenings. Furthermore, the dispensary distributed approximately ₹0.90 million worth of free medications to those in need, underscoring its commitment to accessible community health.

ADHPL Scholarships Distributed

In a boost to education, 57 students from the Manali region received scholarships totaling ₹1.32 million for the 2025-26 financial year. The initiative supports meritorious students from Classes 9 to 12 and those in technical courses. Out of 129 applications, 57 candidates were selected through a competitive process involving rigorous screening and interviews. This program aims to empower local youth and alleviate financial barriers to education in the Himalayas.

ADHPL Completed Control Wall for Flash Floods in Malana

In response to the destructive flash floods of July 2023, ADHPL has completed a vital flood control wall along Malana Nallah at Chowki Village as part of its CSR initiative. This project was taken up to combat severe soil erosion and provide protection against the persistent threat of cloudburst-induced disasters.

ADHPL Supports Adharsh Educational & Social Welfare Society

ADHPL's CSR efforts aid the Adharsh Educational & Social Welfare Society, which runs the Sahara Old Age Home and a facility for the mentally challenged in Manali. The company allocates approximately ₹0.90 million for monthly grocery support, ensuring food security for these groups in the 2025-26 fiscal year.

ADHPL Supported NGO Samphia Foundation

In FY 2025-26, the Company donated ₹1.00 million to the Samphia Foundation to support the Aash Child Development Centre in Kullu, aiding operational costs for physiotherapy, occupational, and speech therapy for differently-abled children.

Notably, the NGO's outreach extends into the most remote and challenging terrains of the Kullu region to ensure no child is left without care.

Corporate Social Responsibility

Jawahar Foundation Envisions a Viksit Rajasthan

Industrialist and Jawahar Foundation Founder, Shri Riju Jhunjhunwala, recently met with Hon'ble PM Narendra Modi at Kishangarh Airport. He lauded the Prime Minister's "historic gift"—a suite of development projects worth over ₹16,000 crore spanning Greenfield Expressways and vital water schemes.

Shri Jhunjhunwala briefed the PM on the Foundation's social welfare efforts, emphasizing that initiatives like HPV vaccinations and Rozgar Melas are critical for a resilient future. Together, these industrial and social milestones mark a decisive step toward a prosperous, empowered, and developed Rajasthan. The meeting underscored the importance of collaboration between industry leaders and the government in driving sustainable growth and addressing pressing social issues. Shri Jhunjhunwala expressed his gratitude for the Prime Minister's vision and support, noting that such partnerships could pave the way for inclusive development across the region. The conversation also touched upon the potential for further innovations in renewable energy and digital infrastructure, areas where India could lead on the global stage.

RSWM Opened Pyavu Kiosk To Beat the Summer

As usual, on the auspicious occasion of Ramnavami, on March 26, 2026 RSWM Staff Club opened a Pyavu outside the Main gate on the National Highway. The inauguration of this was done by Shri Rajendra Kumar Pandey, COO, at 5.00 PM.

Every year during the summer season, Pyavu is opened for three months i.e. April, May, and June. A large number of people, including mill workers and outsiders are benefited from this activity of the Staff Club.

TACC Distributed Food Baskets to TB Patients in the CER Initiative

The CER initiative was successfully completed with the distribution of 6,000 food baskets to TB patients in collaboration with Civil Hospital Dewas. The activity reflects the organisation's commitment to community welfare and support for public health initiatives, contributing to improved nutrition and care for patients undergoing treatment.

Good Read

IKEGAI - The Japanese Secret to a Long and Happy Life

This non-fiction is a refreshing guide to longevity that proves health is about more than just biology; it's about purpose. By studying Japanese centenarians, authors Héctor García and Francesc Miralles distill a complex philosophy into a simple, actionable lifestyle.

The book brilliantly bridges Western psychology with Eastern wisdom, connecting Viktor Frankl's logotherapy and Mihaly Csikszentmihalyi's concept of flow to the daily search for meaning. Rather than viewing life as a problem to be solved, Ikigai encourages us to immerse ourselves in the "flow" of everyday tasks.

Ultimately, this isn't a manual for retirement, but a manifesto for staying active. It teaches that by nurturing what we love and staying connected to community, we don't just add years to our lives—we add life to our years.

Celebrations & Festivals

New Year Celebration at HO Noida & Other Offices

On January 1, the HO Noida office celebrated the New Year with vibrant energy. The day began peacefully with prayers and bhajans, followed by employees greeting each other, sharing smiles, and exchanging sweets, fostering a sense of community and togetherness.

Different RSWM manufacturing plants celebrated with enthusiasm, uniting workers and management in a spirit of community and dedication. The celebrations highlighted collective strength and set a positive tone for a prosperous year ahead.

Syt Riju Jhunhunwala's Birthday-Lohri Celebration

The Noida Head Office radiated vibrant energy during a special double celebration, marking the birthday of our visionary leader, Shri Riju Jhunhunwala, alongside the festive spirit of Lohri. The LNJ Bhilwara family gathered to express deep gratitude and extend heartfelt wishes for his health and happiness. The day's warmth was beautifully captured by the traditional Lohri bonfire, followed by a joyous cake-cutting ceremony.

The RSWM Staff Club in Lodha, along with Mandpam and Rishabhdev plants, celebrated Lohri with a community gathering around a bonfire for prayers and greetings. The event featured lively Bhangra performances and cultural presentations by staff, ladies, and children, creating a memorable atmosphere of togetherness.

Celebrated National Unity on 77th Republic Day

The vibrant spirit of patriotism swept across the organization as HO Noida, alongside Kharigram, Ringas, and all other RSWM plants, proudly celebrated India's 77th Republic Day. Employees and management gathered for solemn flag-hoisting ceremonies, standing in unity as the national anthem resonated through the premises. The atmosphere was charged with national pride, reflecting our shared commitment to the country's progress and solidarity. Through these collective celebrations, the RSWM family honored the enduring values of our constitution, reinforcing a deep sense of togetherness and dedication to both community and nation.

HEG Ltd. celebrated India's 77th Republic Day with enthusiasm, featuring the national flag unfurled by Vice President Shri. Jasvinder Singh Khosla Ji. His inspiring speech emphasized equality and progress, urging employees to consider their roles as responsible citizens. The event fostered unity and pride, showcasing the company's commitment to a harmonious and progressive workplace.

Maral Sarovar celebrated the 77th Republic Day with enthusiasm, starting with President Sh. Mohit Maheshwari hoisting the national flag and lighting the "Amarjyoti" lamp for martyrs. He highlighted the importance of civic responsibilities alongside constitutional rights, urging a focus on workplace safety.

Celebrations & Festivals

Women's Day Celebration

The LNJ Bhilwara Group celebrated International Women's Day across its various units—including the Noida Head Office, LNJ Knits, Kharigram and other RSWM plants, HEG Limited, Replus, and TACC. Anchored by the inspiring theme "Give to Gain," the events honored the leadership, resilience, and invaluable daily contributions of women across all departments.

To mark the occasion, the organization recognized the vital role women play in driving its success.

Across all verticals, the celebration featured a thoughtful touch: male teammates surprised their female colleagues with personalized gift hampers and handwritten notes placed on their desks. These messages expressed deep appreciation for their unique qualities, fostering a culture of gratitude and inclusivity throughout the entire group.

Unity, Tradition, and Eco-Friendly Festivities Mark the Celebration of Holi

The LNJ Bhilwara Group celebrated Holi at various locations, promoting unity and cultural pride. The Noida Head Office became a vibrant display of colors, fostering camaraderie among the team. The LNJ Knits Chhata plant, Mordi Unit, and Ringas units observed Holika Dahan, symbolizing the victory of good over evil. ADHPL focused on sustainability during its eco-friendly celebration on March 3, 2026, emphasizing water conservation with natural colors, a communal lunch, and a traditional evening bonfire.

HEG Organized Marathon for Workforce

HEG Ltd. hosted the "RUN FOR HEG" marathon on January 6, 2026, to promote employee well-being and unity. The event fostered healthy work-life balance and team spirit, creating a sense of community among participants.

Initiated by Executive Director Shri Manish Gulati Ji, HEG's focus on employee health and unity sets industry standards for holistic development.

Maha Shivaratri Puja at RSWM Mandpam

On February 15, 2026, a "Rudrabhishek and Havan" was held at Melangeshwar Mahadev Temple for Maha Shivaratri. Staff and families from Mandpam and Kanyakheri Units attended, enjoying the event and receiving prasad.

Celebration of National Road Safety Week

The LNJ Bhilwara Group prioritized workplace welfare and safety across its units through various initiatives in early 2026. RSWM plants and offices, including Lodha and RPSF, successfully observed the 55th National Safety Week to reinforce operational safety. Similarly, Replus built a safer future at its Battery Manufacturing Plant through safety training and awareness drives. Demonstrating public and employee safety, ADHPL and T-Line conducted a month-long "Sadak Suraksha-Jeevan Raksha" campaign targeting driver awareness. Shifting focus to physical well-being, HEG Ltd. hosted the "RUN FOR HEG" marathon on January 6, promoting employee health, work-life balance, and team unity.

Achievements

RSWM Limited Honoured with Prestigious Best Employer Award 2025–26

RSWM Limited received the “Best Employer Award 2025–26” on March 12, 2026, at Hotel Amer Clark in Jaipur. Presented by Rajasthan officials, this award recognizes RSWM's commitment to a positive work environment and employee well-being. Representatives Naresh Kumar Bahediya, Sanjay Kumar Tiwari, and Vinod Purohit accepted the award, highlighting the company's values and inclusive culture. RSWM's focus on empowering employees and fostering innovation solidifies its reputation as a leading employer and demonstrates its commitment to a sustainable, high-performance workplace.

RSWM Kharigram Honored with the Rajasthan State Safety Award 2026

RSWM Limited's Kharigram Unit received the Rajasthan State Safety Award, 2026, for the second time in three years, recognizing its high safety standards and compliance with regulations. The award was presented by the Deputy Chief Minister of Rajasthan on the 55th National Safety Day. This achievement underscores the organization's commitment to safety excellence and best practices.

At the Future Energy Leaders Awards 2026, hosted by ENERSIDER in New Delhi on 23rd March, Replus achieved a significant milestone by securing two prestigious honors. The company was recognized as the Emerging Company in the EV & ESS Market, while its innovative work at SAP Labs, Bangalore, earned the title of Project of the Year (BESS).

Replus Honoured at Future Energy Leaders Awards

Welcome Aboard & Adieu

Superannuation of Sh. R.S. Bankawat at RSWM Lodha

The superannuation ceremony of Shri R. S. Bankawat was held on February 28, 2026. He had served the organization for 19 years and was known for his dedication and contributions during his tenure. During the farewell programme, everyone bid him an affectionate adieu and extended best wishes for his future endeavours and a happy retired life. Shri Shambhu Kumar (Chief Operating Officer), core team members, and all open-end staff attended the occasion and wished him good luck. He was honoured with gifts, a bouquet, a shawl, and shreefal as a mark of respect and appreciation.

Superannuation of Shri PC Sharma & Shri R R Pandit at RSWM Rishabhdev

Shri P.C. Sharma, Officer – Quality Control at RSWM Rishabhdev, retired on January 31, 2026, after more than 30 years of dedicated service to the unit. A heartfelt farewell was organized on the mill campus that day, where speakers expressed their appreciation for the invaluable contributions he made during his tenure. Similarly, Shri R.R. Pandit, Manager (Finishing) of RSWM Rishabhdev, also retired on March 31, 2026, after serving the unit for over 27 years. He, too, received a warm farewell, and the speakers at this event acknowledged the significant impact of his work within the organization throughout his career.

Walking to lunch, they find a curious lamp...

Power of Boss

THE MORAL: Always let your boss speak first.

True ESG leadership isn't announced in annual reports. It is built into the decisions no one sees and the environments everyone inhabits!

Since 1960, responsible growth has been foundational to the LNJ Bhilwara Group—a principle that guides our 21 manufacturing units, 38+ locations, and 25,000+ employees. As our turnover surpasses \$1.29 billion and our exports reach over 70 countries, our focus transcends mere expansion to ask: Are we growing the right way?

For us, ESG is a core culture embedded across all verticals, from RSWM's sustainable textiles and HEG's efficient graphite operations to Bhilwara Energy's 300+ MW clean power portfolio and Replus Engitech's energy solutions. Today, that commitment extends directly into our workplaces.

By integrating BioPure into our Noida head office, we are elevating the standard for sustainable facility management—a benchmark we project to scale across all our offices, factories, and manufacturing facilities. Powered by Eco-Enzyme Technology, BioPure's plant-based, biodegradable cleaning range contains zero harmful chemicals, ensuring safety for both our people and the planet. For high-traffic commercial environments like ours, these non-toxic, multi-surface solutions streamline our supply chain by replacing multiple vendors while maintaining uncompromising, deep-cleaning performance.

The tangible results speak for themselves: reduced chemical dependency, minimised wastewater impact, and healthier workspaces for the engineers, technicians, and weavers who power our success. For a global group answerable to institutional investors, this isn't a peripheral choice. It is operationalised sustainability—proving that at LNJ Bhilwara Group, responsible growth lives in every square foot.
